Yohannes Haile welcomed the participants to the meeting and the Committee members then discussed all the items of the meeting agenda. Tsegazeab took the minutes. The discussions of the meeting are summarized below.

1. Approval of the minutes of the last meeting

The participants reviewed the minutes of the previous meeting held on April 21, 2026 and approved them as a true and accurate record of the meeting.

2. Minutes of last meeting and matters arising.

Agenda item 1: CSSR4Africa Final report first draft

Action: Extended. Since contracts have been renewed for a few members of the team, work on the project is to continue and the final report should consider the additional work to be done. See Action item 1.

Agenda item 2: Remove LLM conversation pipeline from task allocation.

Action: Done.

Agenda item 3: Conduct a Pepper robot tour guide demonstration at the DEC

Action: Not done. A mutually convenient date has not yet been identified. See Action item 2.

3. Matters arising from progress reports.

The team agreed all was well with the items reported in the progress reports.

4. Status of tasks, deliverables, and software.

Speech Event has been accepted and integrated. Navigation, Text-To-Speech, Gesture Execution and Behavior Controller had been submitted and received feedback, and respective members are to finalize all pending work and so integration can be finished by Thursday. See Action item 3.

The team deliberated and reaffirmed that the current priority is to finalize the software integrations, followed by the deliverable documents, then the cultural assessment, and concluding with the final report.

5. Status of milestones.

The date for software integration is to be moved to April 30, 2026. See Action item 4.

6. Any other business.

No issues were raised.

11. Date and time of next meeting

The next meeting will be held on Monday May 5, 2026 in C210 at 11AM CAT.

End of the Meeting

There being no other business, the Chairman thanked the participants for their contributions and closed the meeting.
